

## GLOBAL FEE - INCLUDES BOTH EXAM AND READING

Unlike hospital-based imaging services, you will not receive another bill for the reading of the exam.  
There is no additional charge for any lab work required prior to a contrast exam.

PROCEDURE	SELF-PAY AT TIME OF SERVICE†
MRI with and without Contrast	\$975
MRI without Contrast	\$900
MRI Arthrogram Shoulder	\$1,275
MRI Arthrogram Hip or Wrist	\$1,350
Whole Body MRI	\$2,000
CT with and without Contrast	\$975
CT with Contrast	\$950
CT without Contrast	\$900
CTA	\$975
CTA Head and Neck	\$1,950
CT Arthrogram Shoulder	\$1,275
